

Night/weekend work and traffic changes at the intersection of Princes Highway and Campbell Street St Peters

Night and weekend work will continue in various locations along Princes Highway near the Campbell Street intersection to carry out utility work. Due to safety and traffic requirements, this work must take place at night and on the weekend outside of peak volume times.

What we're doing

Night work will be undertaken to install new underground power and communications conduits and haul cables through already installed conduits at various locations on Princes Highway near the Campbell Street intersection. The work schedule is:

- **Monday 11 March from 7pm to 5am**
- **Tuesday 12 March from 7pm to 5am**
- **Wednesday 13 March from 7pm to 5am**
- **Friday 15 March from 7pm to 5am**

Night work and lane closures on Princes Highway on Monday 11 March, Tuesday 12 March and Wednesday 13 March had originally been notified for in Notification No 634. Please note the updated night-time traffic changes for Tuesday 12 March and Wednesday 13 March.

- **Saturday 16 March from 8am to 6pm**

Day work will be carried out to install new underground power conduits at the north-western corner of Princes Highway and Campbell Street. There are no traffic changes associated with this day work.

Traffic changes

Monday 11 March and Friday 15 March from 7pm to 5am

- Lane closures will be in place on Princes Highway near the Campbell Street intersection. Two-way traffic will be maintained at all times.

Notification No.642

Constructed by

- Princes Highway residents between Barwon Park Road and Campbell Street (east): Driveway access will be maintained via a temporary access road from Princes Highway southbound. Please follow the direction of traffic control.

Additional traffic changes on Monday 11 March, Tuesday 12 March and Wednesday 13 March from 7pm to 5am:

- Road closure on Crown Street at the Campbell Street intersection; Crown Street entry and exit via Barwon Park Road and Princes Highway only
- Two-way traffic permitted on Crown Street under the direction of traffic control.

Please see Notification No 637 available under 'Local Updates' on [www.westconnex.com.au /project/new-m5](http://www.westconnex.com.au/project/new-m5) for details about night work on Crown Street.

Pedestrian access during night work on Princes Highway will be maintained under the direction of traffic control. For safety reasons, pedestrians may be directed to cross the road to the opposite footpath. Parking restrictions will be in place along Princes Highway prior to each night work shift.

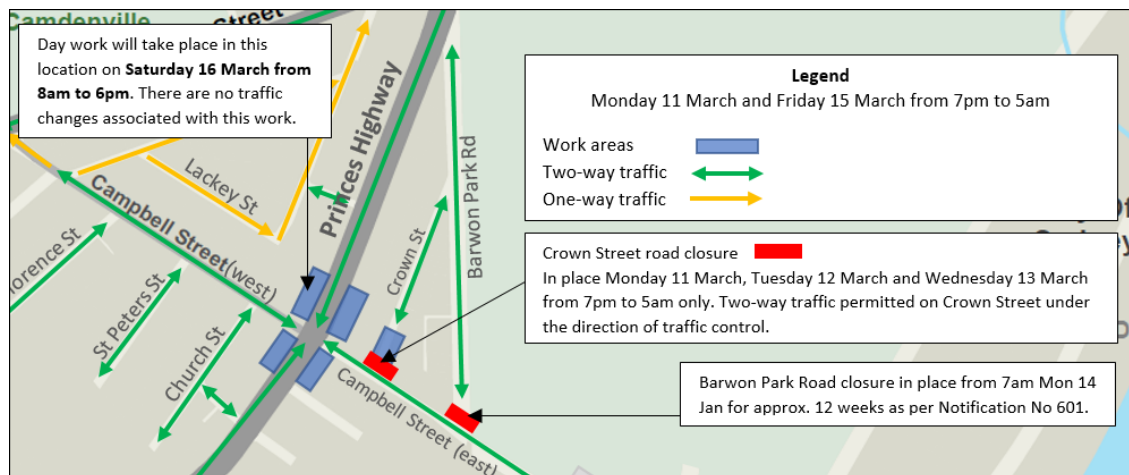

How this affects you

Equipment used during this work will include a road saw, rock breaker, excavator, vacuum truck, construction vehicles, cable hauling equipment, compaction equipment, lighting towers, hand tools and traffic control.

This work is expected to generate noise. Every effort will be made to minimise noise and light spill associated with these works by turning off equipment and vehicles when not in use and directing noise and light generating equipment away from residential properties where possible. The site compounds on May Street and along Campbell Street will be used intermittently throughout the work for storage of materials and vehicle parking.
