

Night and weekend work on Euston Road between Sydney Park Road and Campbell Road, Alexandria

We will lay permanent road asphalt and construct a median strip on Euston Road from Friday 29 March to Monday 1 April. A diagram showing the location of these works is featured overleaf.

What we're doing

To complete these works, we will relocate and install concrete barriers, and place new pavement and asphalt on the road surface. Construction work is scheduled at the following times:

- Friday 29 March, 6pm to 6am
- Saturday 30 March, 1pm to 6pm
- Sunday 31 March, 7am to 6pm
- Monday 1 April, 4am to 7am

Traffic changes

One-way traffic will be maintained travelling southbound on Euston Road, south of the Sydney Park Road intersection for local businesses. If you are travelling in this area, please expect delays due to construction activities.

How this affects you

Every effort will be made to minimise noise and light spill associated with these works by turning off equipment and vehicles when not in use. Equipment used during the work will include excavators, grader, asphalt roller, kerb machine, concrete agitators, light vehicles, and traffic control. This work is not expected to generate a high level of noise to nearby residents. The site compounds on Euston Road and Campbell Road will be used to store materials and for worker parking during this night work.

This work is being conducted outside of business hours to minimise access restrictions for businesses. There are no changes to pedestrian access associated with this work.

If you have any questions about this work, please call 1800 660 248 (toll free) and ask to speak with a member of the New M5 community engagement team or email info@newm5.com.au
