

Ongoing night work and traffic changes on Gardeners Road, Kent Road and Bourke Road/Street, Mascot for April 2019

Night work continues on Gardeners Road, Kent Road and Bourke Road/Street to install, relocate and upgrade power, communications and gas services. Night work will also take place on Bourke Road, north of the Gardeners Road intersection.

What we're doing

From **Monday 1 April to Tuesday 30 April** between **9pm and 5am** nightwork will take place to install underground power and communications conduits to prepare for the future removal of overhead power lines along Gardeners Road and Bourke Road. Service investigation work and installation of new street light footings and water mains will also take place.

Equipment used during the work will include lighting towers, hand tools, vacuum trucks, excavators, plate compactor, potholing truck, road saws, bucket trucks, generators, and traffic management and construction vehicles.

This work must take place at night, outside of standard construction hours, due to the road closures and traffic approvals required. Traffic control, signage, detours and reduced speed limits will be in place to assist local residents and road users.

A map showing the locations of the updated work is provided overleaf.

How this affects you

A full road closure on Gardeners Road, Kent Road and Bourke Road/Street will be in place for the duration of all night shifts between 9pm and 5am.

Access to driveways located on Gardeners Road and Bourke Road will be maintained for residents and businesses at all times. Residents and businesses will be required to provide their address to traffic control to be permitted through the road closure to their property.

For details on this detour please email info@newm5.com.au

Minimising impact on residents

Every effort will be made to minimise noise and light spill associated with this work by scheduling noisy work to take place early in the night where possible, turning off equipment and vehicles when not in use and using non-tonal reversing beepers on all

When

Monday 1 April to Tuesday 30 April, from 9pm to 5am
