

Extension of road closure on Barwon Park Road at the intersection of Campbell Street/Road until June 2019

The road closure currently in place on Barwon Park Road at the intersection of Campbell Street/Road has been extended until June. Vehicle access to Barwon Park Road will remain from Princes Highway only.

What we're doing

Work to construct the new road surface on Barwon Park Road at the intersection of Campbell Street/Road has been slower and more challenging than originally anticipated due to difficult ground conditions and the presence of congested underground utility services resulting in confined working conditions. Recent wet weather has caused further delays to the work schedule. Consequently, the road closure in this location has been extended until June 2019. We will notify local residents and businesses when a date for the reopening of the intersection has been confirmed.

Work at the intersection will continue to take place during standard construction hours: Monday to Friday 7am to 6pm and Saturday 8am to 1pm. Local residents and businesses will be notified in advance if work is required outside of the standard construction hours.

Continued traffic changes until June

- Road closure on Barwon Park Road at the Campbell Street/Road the intersection
- No vehicle access into Barwon Park Road from Campbell Street/Road
- Vehicle access into Barwon Park Road from Princes Highway only
- Vehicle access out of Barwon Park Road via Crown Street one-way southbound or Princes Highway
- Pedestrian access will be maintained between Barwon Park Road and Campbell Street/Road

How this affects you

Once the new road surface is complete and the intersection reopens to traffic, traffic will be able to access Barwon Park Road from Campbell Street/Road. We will notify local residents ahead of the intersection reopening to traffic.

When

Extended until June 2019

This road closure was originally notified for in January 2019, in notification No 601.
