

Weekend work on Euston Road between Sydney Park Road and Campbell Road, Alexandria

Work will be undertaken in two locations to install drainage, and to place permanent asphalt. A diagram showing the location of this work is featured overleaf.

What we're doing

Drainage work and asphalt installation work will occur in two locations, as below:

Work area 1 - Drainage work

We will excavate current road pavement, install new drainage piping and reinstate the road pavement during the following shifts.

- Monday 29 April to Monday 13 May, 6pm to 6am

Work area 2 - Asphalt installation work

We will relocate and install concrete barriers, and place new pavement and asphalt on the road surface. This work is scheduled the following shifts.

- Saturday 4 May, 8am to 6pm
- Sunday 5 May, 8am to 6pm

Traffic changes

One-way traffic will be maintained travelling southbound on Euston Road, south of the Sydney Park Road intersection for local businesses. If you are travelling in this area, please expect delays due to construction activities.

How this affects you

Every effort will be made to minimise noise and light spill associated with these works by turning off equipment and vehicles when not in use. Equipment used during the work will include excavators, grader, asphalt roller, kerb machine, concrete agitators, light vehicles, and traffic control. This work is not expected to generate a high level of noise to nearby residents. Asphalt milling will take place during this work. This may generate heat and an odour. This method is the standard method for removing road pavement and adheres to all safety regulations. The site compounds on Euston Road and Campbell Road will be used to store materials and for worker parking during this night work.

When

Work area 1 - Drainage work

Monday 29 April to Monday 13 May, 6pm to 6am

Work area 2 - Asphalt installation work

Saturday 4 May, 8am to 6pm
Sunday 5 May, 8am to 6pm
