

11 September 2017

Upcoming night works – along Canal Road, St Peters

Night work will be carried out on Canal Road, St Peters to undertake drainage works.

Start on **Friday 15 September** and is expected to take one night to complete, weather permitting. Working hours are between **6pm and 8am**. No work will be carried out on Sundays or public holidays.

This work is being carried out at night to minimise impacts to traffic during the day and to ensure the safety of road users and our workers. A map showing the location is provided overleaf.

Work activities

The night work will involve excavating trenches and laying concrete pipes along the closed footpath next to the St Peters Interchange site. The trenches will then be backfilled and reinstated.

Equipment will include excavators, trucks, hand tools, concrete saws, vacuum trucks, light vehicles, lighting towers and traffic management.

Minimising community impact

There may be some impacts to residents during this work, including noise and lighting. We will make every effort to minimise these impacts by:

- Turning vehicles and machinery off when not in use and using less noisy equipment
- Directing noise-generating equipment and lights away from properties where possible
- Working no more than four nights in a week, with no more than three nights in a row
- Completing the noisiest activities in the earlier part of the night.

Temporary traffic changes

There will be some temporary traffic changes to ensure the work zone is safe. Changed traffic conditions will include lane closures, reduced speed limits. The footpath on the eastern side of Canal Road next to the St Peters Interchange site is closed between the Princes Highway and Burrows Road. Pedestrians should use the footpath on the other side of Canal Road. Access to properties will be maintained.

If you are travelling through the area please allow extra time for your journey and follow the signs and directions from traffic controllers. For the latest traffic information, visit livetraffic.com or download the Live Traffic NSW app.

More information

If you have a question about this work, please call 1800 660 248 (toll free) and ask to speak to a member of the New M5 community engagement team or email info@newm5.com.au.

You can also visit us at our Community Information Centre at 27 Burrows Road St Peters. The centre is open from 9am to 5pm on weekdays (excluding public holidays).
