

29 December 2016

Night work – Campbell Street and Princes Highway, St Peters

Night works will be undertaken along **Campbell Street and Princes Highway, St Peters** to facilitate property clearing and power adjustment work. This work is being undertaken at night under traffic management for the safety of workers, motorists, pedestrians and cyclists. A map showing the location of the work is provided overleaf.

Night work will commence from **Monday 3 January 2017** and is expected to take place intermittently over the next two weeks, weather permitting. The work will occur between **7.00pm and 5.00am from Monday to Saturday**.

The work will involve:

- installing concrete barriers along Princes Highway and Campbell Street
- adjusting the power supply at Princes Highway / Campbell Street intersection, including removing overhead power lines and poles, excavating the footpath and verge, installing and connecting power cables and backfilling and reinstating the footpath and road
- identifying utility services
- setting up a safe work area and traffic management.

Equipment used during the work will include trucks, lighting towers, crane trucks, excavator, vacuum truck, concrete saw, plate compactor, light vehicles and hand tools.

Traffic changes

Changed traffic conditions will be in place during this work including:

- closure and detour of Campbell Street between Unwins Bridge Road and Barwon Park Road
- lane closures along Princes Highway
- reduced speed limits
- footpath closures and detours.

Traffic control and signage will be in place to assist local residents, road users, pedestrians and cyclists navigate through the changes. Access to streets and properties adjoining Campbell Street will be maintained under traffic control.

For more information about the changed traffic conditions to be in place during this night work, including maps showing the closure location and detour routes, please visit westconnex.com.au/NewM5.

Minimising community impact

Every effort will be made to minimise noise and light spill associated with this work by:

- scheduling noisy work to take place early in the night where possible
- turning off equipment and vehicles when not in use
- using non-tonal reversing beepers on all machinery
- directing noise generating equipment and lights away from residential properties where possible
- notifying residents and businesses before work starts near their property.

If you have a question about this work, please call 1800 660 248 and ask to speak to a member of the New M5 community engagement team or email info@newm5.com.au.
