

Road closures and traffic changes on Campbell Street, (east) St Peters

Work on the overhead Ausgrid power and Optus communications cables that has been taking place the last few weeks will be completed and commissioned for the upcoming traffic diversion on Campbell Street (between Barwon Park Rd and Princes Hwy). These works include stringing the cables from the old poles to the newly positioned ones until the power and communications cables are undergrounded later in the construction program. To carry out this work we will need to implement traffic changes on Campbell Street between Crown Street and the Princes Hwy, Campbell Street/Road between Barwon Park Road and Harber Street, Crown Street, Barwon Park Road and Campbell Road.

Timing of work

This work will take place on **Tuesday 28 November and Monday 4 December (contingency)** between **7am and 6pm**. **Traffic changes** will be in place as follows.

Campbell Street between Crown Street and Princes Highway	Road closure will be in place on Campbell Street between Princes Highway and Crown Street. This means there will be no access to the Princes Highway via Crown Street and Campbell Street during this time.
Campbell Street/Road between Barwon Park Road and Harber Street	Road closure will be in place on Campbell Street/Road between Barwon Park Road and Harber Street.
Crown Street	Crown Street will be closed at Campbell Street intersection. Crown Street will be two way traffic during this work. Crown Street entry and exit will be via Princes Hwy and Barwon Park Road. This entry is local access only. Cones will block entry into Barwon Park Road at Princes Hwy so please advise traffic controllers that you are a local resident. Traffic controllers will be in place to assist motorists and pedestrians.
Barwon Park Road	Barwon Park Road will be closed at Campbell Street intersection. Entry and exit onto Barwon Park Road is via the Princes Hwy only. This entry is local access only. Cones will block entry into Barwon Park Road at Princes Hwy so please advise traffic controllers that you are a local resident. Traffic controllers will be in place to assist motorists and pedestrians.
Campbell Road	Campbell Road residents will enter via Euston Road and exit via Campbell Road onto Burrows Road. Residents can park outside their properties during this work

Traffic control and signage will be in place to assist road users, pedestrians and cyclists through the changes. Pedestrian access to properties and along Campbell Street will be maintained at all times. Vehicle access to properties may be restricted at times. Please see the map overleaf for the locations of this work.

Please note there will be continual traffic changes in the area between now and Christmas. To avoid confusion, we will provide notifications regularly and also send information via the e-updates. If you are not on our email list, please contact us. We sincerely apologise for the inconvenience this work may cause.

Equipment used

A vacuum truck, multiple elevated work platforms, electrical bucket trucks, vehicles, hand tools and cable rolls will be used during this work.
