

Night work and traffic changes on Princes Highway, Campbell Street (east), Campbell Road and Burrows Road (south)

Night work will be carried out on the Princes Highway, St Peters and Burrows Road, Alexandria

What we're doing

Princes Highway - Tuesday 6 March 7pm to 5am

- Asphalting work on the eastern verge of the Princes Highway to carry out a road surface connection between Princes Highway and the new Campbell Street (east) road surface. Please note that the concrete barriers on the northbound lane of Princes Highway, south of the Campbell Street intersection, will remain in place until June 2018 while work is being completed in this area.

Burrows Road (south) - Wednesday 7 March 7pm to 5am

- Work to finalise and open the diversion of a section of roadway on Burrows Road (south) from the intersection of Campbell Road for around 200 meters south. Work will include installing concrete barriers, milling and placing asphalt, line marking and installing signage. Equipment used during this work will include mobile crane, excavator, line marking machine, asphalt roller and paver, trucks, demolition saw, jackhammer, generator, lighting towers, construction vehicles and traffic management.

Traffic changes

Princes Highway - Tuesday 6 March 9.30pm to 5am

- Princes Highway southbound lane closure from the Barwon Park Rd intersection to Bishop Street. Two way traffic will be maintained on Princes Highway via stop / slow traffic set up. Please expect delays

BUILDING OUR FUTURE

Constructed by

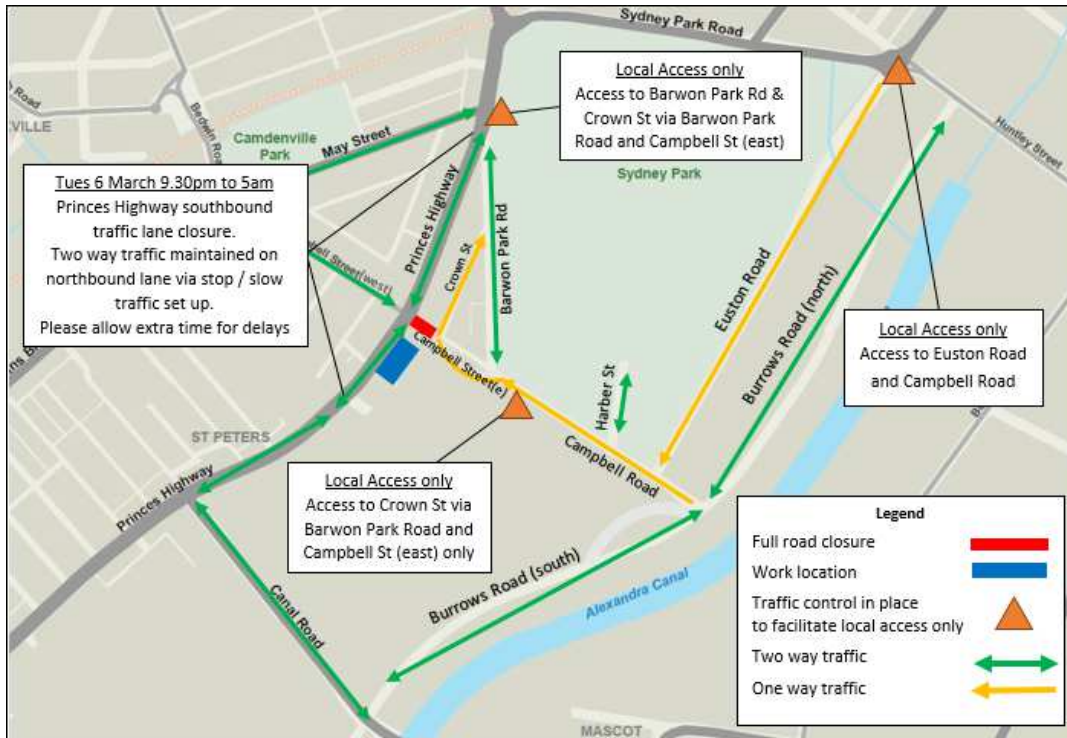

Traffic control will be in place around the work areas and on surrounding streets to manage road users through the changes.

The site compound on the southern side of Campbell Road will be used intermittently throughout the night work for storage and tipping of materials and vehicle parking. The work is expected to create some noise impacts to nearby residents. Every effort will be made to minimise noise and light spill associated with this work by:

- turning off equipment and vehicles when not in use
- using non-tonal reversing beepers on all machinery during night work
- directing noise generating equipment and lights away from residential properties where possible

Night work and traffic changes Tuesday 6 March 9.30pm to 5am

Night work and traffic changes Wednesday 7 March 9pm to 5am
