

Night work and road closures on Campbell Road and Euston Road, Alexandria

What we're doing

Night work will be carried out around the intersection of Campbell Road and Euston Road to install Optus and Telstra communications conduits and pits. Tree stump removal will also take place during this time.

The work will involve trenching across the road surfaces and footpath, installing the communications conduits, backfilling the trenches, and reinstating the roads and footpath. An excavator, road saw, power tools, vacuum trucks, lighting towers, traffic control and construction vehicles will be used to complete the work.

Monday 26 February and Tuesday 27 February, 7pm to 5am - Campbell Road crossing

Wednesday 28 February and Friday 2 March, 7pm to 5am - Euston Road crossing

The work location is shown on the map provided overleaf.

The site compound on the southern side of Campbell Road will be used intermittently throughout the night work for storage and tipping of materials and vehicle parking.

Traffic changes

Monday 26 February and Tuesday 27 February, 7pm to 5am - Campbell Road crossing

- Full road closure on Campbell Road from Euston Road to Burrows Road. No entry or exit into/from Campbell Road into/from Burrows Road
- Local access to Campbell Road via Euston Road, exit via Barwon Park Road.
- Right turn only from Euston Road southbound into Campbell Road during this time

Wednesday 28 February and Friday 2 March, 7pm to 5am - Euston Road crossing

- Euston Road full closure from Sydney Park Roundabout to Campbell Road (Local Access only)
- Access to properties will be maintained for Euston Road businesses at all times. Motorists will be required to provide their address to traffic control when entering Euston Road from the Sydney Park Roundabout. This is to ensure local access only through the work area.
- Access from Euston Road to Campbell Road will be facilitated by placing steel plates over the Euston Road trench. Please allow for delays.

Traffic control, signage, detours and reduced speed limits will be in place to assist local residents and road users to navigate through the changes. We apologise for any disruption this work may cause.

Constructed by

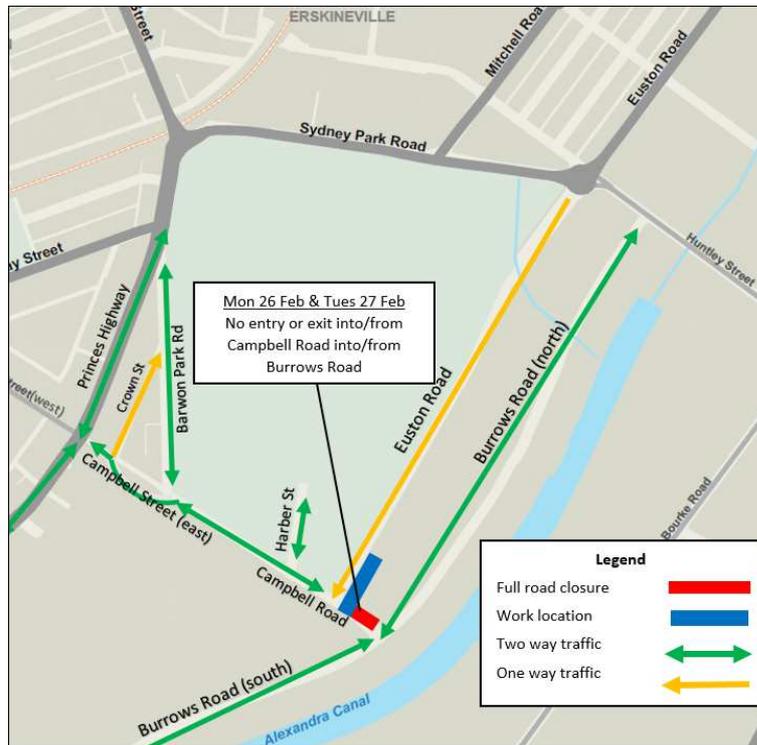

Minimising impact on residents

The work is expected to create moderate noise impacts to nearby residents. Every effort will be made to minimise noise associated with this work by:

- Scheduling noisy work to take place early in the night where possible
- Turning off equipment and vehicles when not in use
- Using non-tonal reversing beepers on all machinery during work
- Directing noise generating equipment away from residential properties where possible.
