

7 August 2017

Road Closure on Church Avenue, Mascot

As part of the WestConnex New M5 project, Gardeners Road and Bourke Street will be widened and upgraded to connect to the future St Peters Interchange at the former Alexandria Landfill.

In order to complete establishing the construction site on Bourke Street, the team need to remove four remaining trees at the corner of Bourke Street and Church Avenue.

Timing and work hours

This activity is scheduled for **Saturday 12 August**, weather permitting. The work is expected to take one day to complete and will be carried out between **8am and 7pm**.

Equipment used

Equipment to be used during this work will include hand tools, trucks, cranes, light vehicles, lighting towers, chainsaws, excavators and mulching machines.

Traffic changes

There will be a full closure of Church Avenue between Kent Road and Bourke Street for the duration of the work.

Access for local residents will remain at all times. Traffic control will assist residents in accessing their entrance/exit on Church Avenue. Residents will need to provide their address to the traffic control to be allowed to enter Church Avenue.

We ask residents to be patient during this work and schedule extra time into their journey as minor delays are expected due to changed traffic conditions along the street.

Traffic control and signage will also be in place to guide motorists, pedestrians and cyclists safely during the work. A map showing the work areas and changed traffic conditions is provided overleaf.

More information

If you have any questions about this work, please call 1800 660 248 and ask to speak to a member of the New M5 Community Engagement Team or email, info@newm5.com.au. You can also visit the New M5 Community Information Centre located at 27 Burrows Road, St Peters. The centre is open on weekdays from 9am to 5pm.
