

## Night work on Euston Road, Alexandria

Night work will be carried out to install Ausgrid conduits on Euston Road, Alexandria near the intersection of Campbell Road. The work location is shown on the map provided overleaf.

The work will involve trenching of the footpath, installation of Ausgrid conduits, backfill and reinstatement of the footpath.

### Timing and work hours

This night work will take place over four nights being **Monday 8 January to Wednesday 10 January and Friday 12 January 2018 between 7pm to 5am**. This work will be conducted at night when traffic volumes are lower for the safety for workers, motorists, cyclists and pedestrians.

### Traffic changes

No additional traffic changes are associated with this work. As the work involves trenching of the footpath pedestrians will receive assistance from traffic controllers to walk around the boundary of the work area.

Traffic control and signage will be in place to assist motorists, pedestrians and cyclists through the changes. Vehicle access to properties may be restricted at times.

### Equipment used

Excavator, power tools, lighting towers, bogie, tool truck, saw, traffic control, and light vehicles will be used to complete the work.

### Minimising community impact

The work is expected to create some noise impacts to nearby residents. Every effort will be made to minimise noise associated with this work by:

- turning off equipment and vehicles when not in use
- using non-tonal reversing beepers on all machinery during work
- directing noise generating equipment away from residential properties where possible

During the works, pedestrian and cyclist access will be detoured away from the road closure and work zone. Traffic control will be in place to manage traffic impacts.

Notification No: 341
