

14 August 2017

Upcoming traffic changes and road closure – St Peters Street and Church Street, St Peters

Work is underway to install, relocate and upgrade utilities along the southern side of Campbell Street, mostly within the existing site compound. Traffic changes and a road closure are necessary to facilitate this work across St Peters Street and Church Street

Timing and work hours

- **St Peters Street** - Traffic changes will be in place on St Peters Street from **Monday 21 August to Friday 25 August** between **7am and 6pm**.
- **Church Street** – Traffic changes at the intersection of Campbell Street will be in place from **7am on Monday 28 August to 6pm Friday 1 September**.

Our working hours will be between **7am and 6pm, Monday to Friday**. However, the above **traffic impacts remain in place 24 hours a day for the duration of this work**.

Traffic impacts

To facilitate this work, changed traffic conditions will be in place on St Peters Street and Church Street.

- **St Peters Street** - Work is currently scheduled to take place on the eastern side of St Peters Street from **Monday 21 August to Wednesday 23 August**. During this time access will be reduced to one vehicle lane and pedestrians will use the footpath on the western side of St Peters Street.

Work is currently scheduled to take place on the western side of St Peters Street from **Wednesday 23 August to Friday 25 August**. During this time access will be reduced to one vehicle lane and pedestrians will use the footpath on the eastern side of St Peters Street.

- **Church Street** - There will be no entry or exit from Church Street to Campbell Street from **7am on Monday 28 August to 6pm Friday 1 September** for either pedestrians or vehicles. **Residents will need to use Victoria Street to** access Church Street during this time. No night work will occur, however, the area will remain closed to through traffic for the duration of this work.

Traffic control and signage will be in place to assist local residents, road users, pedestrians and cyclists navigate through the changed traffic conditions. Access to properties will continue to be maintained under traffic control. Setup of traffic control will occur prior to 8am on each of the above days. **The traffic changes are outlined in the maps overleaf.**

Work activities

The work involves upgrading and relocating multiple utilities including Sydney Water pipe crossings, Telstra/Optus cable crossings, drainage crossings and a low pressure gas crossing on St Peters Street and Church Street.
