

Road closure and night work on Campbell Street west and Princes Highway, St Peters

Weekend work will be carried out for the installation and relocation of utilities across Campbell Street west of the Princes Highway.

Timing of work

A temporary weekend road closure will be in place on **Saturday 4 November** from **7am to 6pm** for vehicles travelling between the Princes Highway and Campbell Street west.

Weekday night work will take place for the installation and relocation of utilities on Princes Highway north of Campbell Street over **6 night shifts** between **Monday 6 November** and **Friday 17 November**.

Please see map overleaf to better explain the location of this work

Traffic changes

- You will not be able to enter Campbell Street west from Princes Highway on **Saturday 4 November** between **7am and 6pm**. Local access to Campbell Street west of the Princes Highway for residents and businesses will be via May Street, Bedwin Road and Unwins Bridge Road during this time.
- From **7pm to 5am** during night work on the following days:
 - **Monday 6 November**
 - **Wednesday 8 November**
 - **Friday 10 November**
 - **Monday 13 November**
 - **Wednesday 15 November**
 - **Friday 17 November**
- 1) Princes Highway northbound from the Campbell Street intersection will be reduced to one lane with traffic controls in place. Traffic in both directions maintained.
- 2) Campbell Street west, adjacent to the work zone, will be reduced to one lane with traffic controls in place. Traffic in both directions maintained.
- No right turn for vehicles travelling northbound on Princes Highway to Campbell Street (east), implemented on Monday 30 October, will remain in place until early December.

Work activities

This utility work will take place on Saturday and at night to reduce traffic disruption during peak traffic periods. Traffic control and signage will be in place to assist road users, pedestrians and cyclists through the changes.

Every effort will be made to minimise noise associated with night work by:

- Turning off equipment and vehicles when not in use
- Using non-tonal reversing beepers on all machinery
