

## Girder Installation - Canal Road, St Peters

Night work will be required for the delivery and unloading of concrete girders within the New M5 construction site near Canal Road and Princes Highway. We will do this work at night to ensure the safety of our workers. A map showing the location is provided overleaf.

### What we're doing

Work will start from **Monday 5 March** and is expected to take up to 3 nights (with one night of contingency), weather permitting. Work hours are between **6pm and 6am from Monday to Thursday**. No work will be carried out on Sundays or public holidays.

This work involves a truck delivering, unloading concrete girders and then installation of the concrete girders within the New M5 construction site next to Canal Road and Princes Highway.

Equipment used during the work will include mobile crane, truck, lighting towers, construction vehicles and traffic management.

### How this affects you

There may be some impacts to residents during this work, including vehicle noise and lighting. We will make every effort to minimise these impacts by working no more than four nights in a week and no more than three nights in a row. In addition every effort will be made to ensure noisier works occur earlier on in the night.

We apologise for any inconvenience this may cause.

If you have a question about this work, please call 1800 660 248 (toll free) and ask to speak to a member of the New M5 community engagement team or email [info@newm5.com.au](mailto:info@newm5.com.au).
