

Night work and lane closures on Canal Road and Burrows Road St Peters

Service maintenance work is required to repair the Telstra conduits between Canal Road and Burrows Road. This will be undertaken at night to minimise impact on peak hour traffic. Lane closures will be required to facilitate the work (see map overleaf).

What we're doing

Repair work will be undertaken on the Telstra conduits between Canal Road and Burrows Road over the following dates below, weather permitting.

- Monday 21 May 8pm to 5am
- Tuesday 22 May 8pm to 5am

Work will involve cutting and excavation of the footpath to expose blockages in the Telstra conduits and the unblocking of the conduits.

- Monday 21 May 8pm to 5am
- Tuesday 22 May 8pm to 5am (contingency)

Work will involve the repairs to the blockages in the conduits, cable hauling and reinstatement of the footpath.

Traffic Changes

- Canal Road between Princes Highway and Burrows Road - one westbound lane will be closed leaving one westbound lane open and both eastbound lanes open - 8pm to 5am on each day of work
- Canal Road/Burrows Road slip lane will be closed, however a left turn is permitted with the guidance of traffic control - 8pm to 5am on each day of work.

How this affects you

There may be some impacts to residents during this work, including noisy machinery and lighting. We will make every effort to minimise these impacts by working no more than four nights in a week and no more than three consecutive nights. In addition every effort will be made to ensure that noisier work occurs earlier on in the night. Traffic control will be in place during the lane closures.

When

Monday 21 May
Tuesday 22 May
